OFFICE OF PETITIONS

In re Application of :
Robert S. Konefal et al :
Application No. 10/768,374 : DECISION GRANTING PETITION
Filed: January 30, 2004 : UNDER 37 CFR 1.137(b)
Attorney Docket No. 17794 :

This is a decision on the petition, filed July 22, 2005, which is being treated as a petition under 37 CFR 1.137(b) to revive the instant nonprovisional application for failure to timely notify the U.S. Patent and Trademark (USPTO) of the filing of an application in a foreign country, or under a multinational treaty that requires publication of applications eighteen months after filing. See 37 CFR 1.137(f).

The petition is GRANTED.

Petitioner states that the instant nonprovisional application is the subject of an application filed in an eighteen month publication country on January 2005. However, the USPTO was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in an eighteen month publication country.

In view of the above, this application became abandoned pursuant to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country or under a multilateral international agreement that requires publication of applications 18 months after filing.

A petition to revive an application abandoned pursuant to 35 U.S.C. 122(b)(2)(B)(iii) for failure to notify the USPTO of a foreign filing must be accompanied by:

- (1) the required reply which is met by the notification of such filing in a foreign country or under a multinational treaty;
 - (2) the petition fee as set forth in 37 CFR 1.17(m);
- and

(3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The instant petition has been found in compliance with 37 CFR 1.137(b). However, while the statement of unintentional delay does not comply with the rule, the statement presented will be construed as meaning that "the entire delay in filing the required reply [notification of foreign filing under 35 U.S.C. § 122(b)(2)(B)(iii)] until the filing of a grantable petition was unintentional." Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days as provided by 35 U.S.C. § 122(b)(2)(B)(iii) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 U.S.C. § 122(b)(2)(B)(i) has been rescinded. A Notice Regarding Rescission of Nonpublication Request which sets forth the projected publication date of December 8, 2005 accompanies this decision on petition.

After this decision is mailed, petitioner's deposit account No. 15-0875, will be charged the required \$1,500 petition fee.

Any inquiries concerning this decision may be directed to the undersigned at (571) 272-3220.

This matter is being referred to Technology Center Art Unit 3727 examination in due course.
